VOL. 13 NO. 3 WEDNESDAY, JAN. 19.

Chamber Night honours Father Duchesneau

Some 140 people attended the Citizen of the Year night sponsored by the Chamber of Commerce Saturday evening, when Father Ubaldo Duchesneau was guest of honor, at the banquet and dance.

Mr. Leon Tellier, introducing St. Albert's Citizen of the Year for 1972, said he had first known him as a teacher at St. Jean's College, where father was also active in the hockey program. He spoke of his gift of getting along with all sorts of people and of his "dynamic and charismatic personality, which causes people to believe in him and follow him."

"Father Duchesneau has done much for St. Albert in community projects and particularly in working with young people," said Mr. Tellier, mentioning the St. Albert Movers, teen centre, and his St. Albert choir. A highlight of his work with the choir was their participation with the Edmonton symphony and the "Privilege" cast in their production of Jesus Christ Super Star, which production was also performed in Calgary. "Students under Father Duchesneau learn to be responsible for themselves, and know the joy of accomplishment through group solidarity," said Mr. Tellier, adding that the rewards are many.

"He is a community builder in the best sense of the word. His work is people centered and God oriented," Mr. Tellier concluded. He introduced a group of 10 or more young people who were present to pay tribute to Father Duchesneau.

One of these, Peter Byl spoke on behalf of his age group, describing their involvement with Father "Duck." "When you're working with him, he's everywhere -- lending a hand -- and yet he leaves so much to us," said Peter -- going on to recount some amusing incidents. "A dedicated man, he stays in the background and helps us build towards becoming good citizens, ready to help others."

Mayor Ray Gibbon also had warm praise for the work of Father Duchesneau in St. Albert, saying "he has the greatest youth movement in the world, I must agree with Leon Tellier," said Ray -- "even though I was going to say I don't much like his haircut. Not only does he jump into everything the Catholics having going -- he exceeds himself even into protestant projects." I have the greatest respect for Father Duchesneau and for the church on the hill, said the mayor. The history of St. Albert and this province began on that hill. On behalf of the town, Mayor Gibbon presented the plaque which goes with the trophy to Father Duchesneau.

Saying that "Leon and Peter are prejudiced, and the mayor more objective, Father Duchesneau thanked the speakers and the Chamber for the warming gesture making him the Citizen of the Year. But he gave the credit to people from many homes in St. Albert who support the community

Two churches will join for unusual service

To mark the close of the week of Christian Unity, Jan. 16 - 23, the choir of St. Albert United Church is presenting a special ecumenical service, "Worship for Today" directed by Daniel Moe, at this Sunday's regular morning worship period.

The senior choir is being assisted by the choir of St. Matthew's Anglican congregation, and by the United Church intermediate choir who will sing the anthem. Lay leaders will be Mrs. Dorothy Dohl and Mr. Barry Broadner. Rev. L. Musto will give the commentary. "Worship for Today" is a contemporary expression in music and words of the Christian faith in the world today. It was commissioned in 1968 by the American Guild of Organists. Erik Routley, noted English Church musician said of the work, "Nobody who is present at it can fail to be inspired by its combination of seriousness and joy."

Worshippers at this Sunday's service are asked to be on hand by 9:45 a.m. in order to participate in a short congregational rehearsal prior to the service. Mr. John Hermans, musical director in the St. Albert Roman Catholic parish, will be on hand to give direction to the congregation.

Although the service is largely being sung, non-singers will find in the words a fresh approach and a deep insight by the writers, Don and Nancy MacNeil, in expressing the Christian faith

Bill Yurko will speak to conservatives

The Hon. Bill Yurko, minister of the environment, will be featured speaker at the annual meeting of the St. Albert Progressive Conservative Association Friday night at the St. Albert Community Hall. Mr. Yurko will speak on the effect of the environment on the community, with particular references to the St. Albert area. In private life Mr. Yurko is a professional engineer.

Hon. Winston Backus, minister of public works, and MLA John Ashton will also be there, and it is hoped that both MLA Les Young and MP Marcel Lambert will be able to attend as well.

The business meeting which begins at 8 p.m. sharp will be handled by President Rene Kambouroff and Nominating Chairman Derek Browne will preside at the election of officers and directors for 1972.

A dance will follow and lunch will be served later in the evening. The execu-

M.L.A. addresses Board of Trade

By Rose Martel

On Monday, Jan. 10, Mr. Ernie Jamison, M.L.A. for St. Albert, was guest speaker at the first 1972 Morinville Board of Trade supper meeting, with 31 members present. Mr. Jamison was introduced by president Romeo Boissonault. Also present were Mayor Art Stapleton, Reeve Walter Van de Walie of the MD of Sturgeon and Matt Tellier, chairman Thibault school board. Four ladies also greeted the audience, Toni Fould, Cecile Gregoire, Florence McGinnis and Ann

Kryskow. Financial statement for 1971 was given by retiring secretary treasurer, Alphonse Robert. A most successful year was reported.

A farewell party, sponsored by the Morinville Board of Trade, in honor of former Mayor and Mrs. Arthur Soetaert, is planned for Saturday, Feb. 26.

In his talk, Mr. Jamison touched on several issues of vital interest and importance to this community and district. He stated that he

Montessori group from form committee

Fifteen St. Albert residents interested in starting a Montessori school for preschoolers here met last night and formed an interim committee to pursue all possibilities.

The parents had scores of questions for Mooney Sherman of the Centennial Montessori school, who spoke to the meeting on the objectives and methods used in this system of teaching very young children. A concern of many centered around how children coming out of this training adjusted to school in grade one.

On Monday, January 31 the group will have as their guest Ann Nield of the Edmonton school, who will speak on a modified program of Montessori. Interested people are invited to attend this meeting at the home of Denise Selann, 57 Broadview Crescent.

Serving on the interim committee, whose most pressing problem is finding a suitable location are: Carolyn Smerdon, Edith Duckering, Evelyn Beeby, Denise Selann, Maureen Gilbert and Kathleen Stewart.

Driving around recently Vic Post spotted Jim Roberts, town building inspector, out walking his beautiful Samoyed pup, and stopped to get a picture. The three young fellows coming home from the arena got into the act. Jim's son Roy, at Riviere Qui Barre breeds and raises Samoyed dogs and this one is eight months old.

John Kaminski, president of the Breakfast Lions Club, was invited by Librarian Ann Hesse to come and see the new children's books which a generous donation of \$500 by the Lions made possible. The pre-school section at the library is short of books and the new ones are being put to very good use, both by the young patrons and in the Story Hour program.

RURAL RECREATION

By Carl Royan
Recreation Director
MD of Sturgeon

The municipal recreation board has established a policy under which they will pay fees to residents taking leadership courses, which will help them acquire necessary skills to direct local activities in various fields of recreation.

For courses that are not sponsored by the department of culture, youth and recreation the resident will pay the initial fees and supply his own transportation. However when this person begins instructing others, an ap-

plication can be made to the board who will reimburse the money and travelling expenses incurred while taking a particular course.

There are many courses, that would be ideal for affording skill to lead others, being conducted in Edmonton this winter. These are held at a variety of places and at differing times. If anyone has a particular interest they would like to learn more about and then teach others, give me a call for further information at 424-6276 or 256-3321.

GIBBONS:

Everyone is looking forward to the winter carnival "Snowball 72" in Gibbons. This weekend affair will start Friday, Feb. 4 and continue right through to Sunday evening. Some of the activities that are planned include: A teen dance on Friday, dine and dance on Saturday, hockey, broomball and skidoo and snowshoe races. I am sure everyone attending will have a great time.

A great deal of interest in golf has been shown in Gibbons and "learn to golf sessions" will start the week following "Snowball 72". For more information contact Mrs. Katie Mahbutt 799-3896.

Light Horse club busy in Gibbons

The Gibbons 4-H Light Horse Club members have finished the tests to see which section they will be working on for the coming year. In the elementary section are Ronnie Kish, Tracy Hood, Donna Sharrun and Shane Allison. The Junior section members are Sharon Kish, Bev Epp, Maybriit Rosacker and Chris Hood. In the intermediate section are Sylvia Bowman, Wanda Hood, Pat Epp and Susan Bowman.

On December 18 the club held a Christmas party at the Andrew Hood residence. The entertainment committee came up with very interesting games, and a delicious lunch was prepared by some of the members and parents.

At the January 6 meeting Dr. Brennan, a veterinarian gave an interesting talk on preventative medicine and parasites. He also showed some slides.

A tobogganing party was held January 8, after which the club met at the Epp home for a lunch prepared by some of the parents.

BAN FIRE HAZARDS

Library

The St. Albert Library Board was happy to receive four books this week from the St. Albert Baha'is. They are the first on this subject to be placed in the library, and the local group has ordered two more to be donated. The religious section is one of the better stocked areas of the library, and the board would encourage the public to drop in and see it.

Among the 12 basic principles of the Baha'i faith are: Oneness of world humanity; Independent investigation of truth; foundation of all religions is one; religion must be in accordance with science and reason and

equality between men and women. Parents of five year olds are reminded that the Story

Hour has resumed following the holiday. The "Book Worms" meet regularly for this program each Tuesday morning from 10 - 11 a.m., and the small fry really enjoy it.

Gibbons Council

At the regular meeting of the Village of Gibbons council on January 12, vote was in favor of again paying membership fees to the Edmonton Area Industrial Development Association. Two or three councillors will attend the EIDA meeting January 27 in Leduc.

A five per cent discount will be deducted from trailer licenses if paid by February 5.

The bylaw governing snowmobiles in the village was reviewed, and drivers are warned that under bylaw a fine up to \$20 maximum may be assessed.

Letters to the Editor

Protests Snowmobiles

The Editor:

May I take this opportunity to add my comments to Mrs. M. I. Romaine's letter concerning snowmobiles, published in the January 12th issue of the Gazette.

I too, own and live in a house adjacent to the Sturgeon River. It amazes me to watch these machines scoot up and down the river. They are always piloted by an enigmatic creature so bounded up in clothing as to be almost unrecognizable, in order that they can 'expose' themselves to the cold and still exist. I am told that this is exhilarating and vigorous exercise. To each his own! Live and let live, etc. etc., ad nauseum. However, I take exception to these

when they invade my private property. I have seen the tracks of snowmobiles run within 10 feet of my house!

Private property means nothing to these vandals. This same apparatus ran over small, carefully planted spruce trees with wanton abandon in doing so.

There is no way that a private citizen can take action against such an offender. The license, if any, is so small, the machines so quick, they are gone before one can identify it. Unless one sees it happen and can somehow immobilize the offender, it is futile.

My property is now posted. I suppose I will have to go to the expense of a fence. I understand that a few steel stakes of the anti-tank type driven into the

ground at random and protruding about a foot is effective, too.

The only truly effective control of these elusive machines is perhaps as France has done; that is, the outlawing of them completely as a recreational vehicle on public territory.

Council has gone on record as not being in favour of this action as they feel that it would discriminate against a segment of so-

ciety. I feel that discrimination is all a matter of viewpoint, perspective and perhaps snowmobile ownership or the lack thereof. Mrs. Romaine must indeed have struck the mark when she intimates that many of the councillors own these machines and that personal bias must have entered into their decision.

would support the request for a liquor store in Morinville and outlined what was required prior to a meeting with the Liquor Control Board. Mr. Van de Walle gave his assurance that he too, with the MD council, would support the liquor outlet for the town of Morinville.

Mr. Jamison also spoke briefly on industrial development, outside large cities and stressed the importance for the rural towns to form local development committees. He suggested Mr. Les Young, chairman of the Task Force on Industry would be available to come to Morinville and discuss in more details the proper procedures to obtain more support at the local level.

In reference to Athabasca University, Mr. Jamison said an announcement may be coming soon when the minister had more definite information.

Little change anticipated in municipal assistance grants this year, according to the MLA. Details regarding mobile home grants, will be provided to secretaries of towns and municipalities possibly by the end of April.

Following his comments, Mr. Jamison answered a number of questions, on a large variety of subjects.

According to plans, the next general meeting will be held on Feb. 7 but this is only tentative, pending a meeting of the new executive.

Youth Job Program announced in Ottawa

By Mona Acker
PSS Director

Through the Opportunities for Youth program, the Federal government will provide \$87,825,000, to create 30,500 jobs for youth across Canada in 1972. Most jobs will be provided through 90 per cent of the projects. These will cost \$15,000 or less each.

St. Albert has many young people who may want to take advantage of the Federal money. Possibly they would want to build a social or recreational building, run supervised recreation for elementary school children during summer vacation or set up a summer day camp on a profit or non-profit basis. Possibilities are unlimited.

Anyone, youth or adult, individual or group, who would like to write a proposal or who simply wants more information may contact Mona Acker, Preventive Social Services Director at

599-6601. Application forms will be available by February with a deadline for return early in March.

The federal government has learned much from its experience with OFY in 1971. They say "Every indication points to a continuing high rate of unemployment for young people. The summer period will remain a serious problem as long as the present education pattern exists. The clear swing on the part of many young people from merely accepting any jobs, towards a practical desire to participate in worthwhile activities, should continue to be supported by government."

The program will stress two ideas. First is the involvement of the young people in the process of planning, creating, managing, and evaluating the project in which he is to be employed. Second is that the government limit its role to the creation of conditions

and provision of resources to people through which they solve their own problems. In essence, the government is saying that it is up to local citizens to make this program work. They will not do it for them.

There are three different types of programs to be funded within the OFY total

picture. Number one will follow the pattern set in 1971. It will provide money for worthwhile projects of benefit to the community. Number two is to stimulate youth to enter into business ventures that might produce some money profit. Number three includes special experimental projects.

Town of St. Albert Public Notice

A Provincial Assessor will be in attendance in the Town Hall on January 26 from 9 a.m. to 5 p.m. and on January 27 from 9 a.m. 5 p.m. and from 7 p.m. to 9 p.m. to answer questions and give explanations of assessment on both land and improvements. All homeowners are invited to attend.

These arrangements are being made at this time because it is considered opportune insofar as the appeal period of assessment of 30 days expires on January 31, 1972.

D. B. O'Connell
Secretary-Treasurer.

Popular show coming here

The young people of the town, particularly those of the junior and senior high school level have a treat in store Friday evening when the "Power and Light" group will be at the St. George Simpson school auditorium.

The company is reported to put on a fantastic show and the Sing Out St. Albert group, under the direction of John Lindley, has been

invited to participate, which will be a great experience for them as well.

The music of The Power and Light Co. is modern using the contemporary idiom drawing from groups like Chicago, Lighthouse, and Blood, Sweat, and Tears plus their own compositions. Through music and personal comments the team communicates a positive philosophy of life in contrast to the groping of today's youth.

This eight-member team is part of a network of the Youth for Christ movement and travels across Canada for concerts in high schools, universities and coffee houses. The members are chosen from various colleges in Canada each year, and then put through a two-month training period before they perform in over 300 schools and sing to over 200,000 teens. Three Edmonton young people are part of the group.

Tickets will be sold at the door at 50 cents.

AROUND TOWN

Whoever typed into the town minutes that staff will prepare a presentation outlining the "iniquities" in the Libraries Act, wasn't lucky enough to get it past the sharp eye of Councilor de Bruijn, who moved first thing Monday night to have it corrected to "inequities." Dan O'Connell may not have been responsible, but he had the courtesy to blush.

Kalita keeps Gibbons in check

On Sunday night at 8 p.m. the home town Meteors of the Senior B Men's skated away from the Gibbons Kodak to the tune of 9 - 2, here at the St. Albert Arena. Scoring was opened at the 12:00 mark of the first period by Mike Belcourt on a beautiful pass from Bill Van Barneveld. Five minutes later Ron Kalita ripped home the first of his two goals to

BUTCH KALITA make the score 2 - 0 for St. Albert.

Scoring and action in the second became tense in the middle of the period. With checking becoming close and the hitting hard and quick, Roy Goodwill and Roy Porter rounded off the scoring for the Meteors, while Stan Christie potted one for the eighth place Kodiaks.

Then came the third period with St. Albert going goal crazy as they pounded five goals past Gibbons' goalie George Fraser. Starting the romp for St. Albert was Guy Bourgeois at the 5:05 mark, followed closely by Mike Belcourt's second goal of the night at 6:15. Roy Porter's second goal which came on passes from Larry Nahirnak and Captain Hank Rarenki was a perfect example of a tip in shot. Finally Roy Goodwill three-quarters the way through the period, put his second marker past the pipes, on a pass from Butch Kalita.

At 17:40 Kalita stole the puck from a Gibbons player, as he had done all night long because of continuous backchecking and hard skating, and roared in on his wrong wing. He hit the brakes about 20 feet out on the wing, which sent the Gibbons defenceman flying into the corner, after which he cut in on the net and picked the far upper corner with a sizzling wrist shot, to set the red light on once more.

Kalita was one of the main reasons Gibbons could only manage to net two goals in the entire game. With hard skating and relentless work, Kalita proved to be the number one star of the game.

Ron Kalita, white jersey with back turned, just missed on a backhand while Gibbons goalie was caught out of position. Kalita was a stand out for the Meteors on Sunday night.

Downs not quite enough

On Thursday, January 13 in Stony Plain the Comets lost a close 3 - 1 decision in a goaltenders battle.

The score opened at 7:12 of the first period by Stony's Ryan Park's goal to give them a 1 - 0 lead. The score remained 1 - 0 all the way through the second

period and it was not until the 2:56 mark of the third period when Vic Brychuk slipped one by St. Albert's goalie John Downs, to give the Eagles a 2 - 0 margin. Then finally at the 11:48 minute of the third period Joe 'Silver Fox' Cassidy zipped one by league lead-

ing goaltender Mel Fisher. Stony rounded off the scoring on a goal by Ged Matsuba at 17:48 of the period to make the final score for the Eagles over the Comets.

The game proved to be the best goaltending battle the Comets have been in this year.

being given by the St. Albert and District Fish and Game Association. It will be ideal for the uninitiated as well. Instruction will be given by Russ Chamberlain and Pat Stretch on two consecutive Friday nights, Jan.

Comets take trip to Whitecourt

Last weekend on Jan. 15 and 16 the St. Albert Comets went to Whitecourt for two exhibition games and came home with a tie and a win. Joe Cassidy led the Comets in the first game with four goals while Al Laplante and Terry Dube each had two. With only 10 men, the St. Albert team stayed with the Whitecourt Cats all the way for an 8 - 8 tie.

In the second game the Comets, with the aid of two more of the players coming up, managed to stomp the Cats 9 - 2.

The first period for both teams was fairly close but the Comets led by Captain Fred Hesse's three goal

LEAGUE LOW DOWN

Sturgeon Valley Senior Hockey League, which consists of nine teams is having a very successful season this year. The hockey has improved vastly over last year's performance, which was considered shabby by some; but this year is a different story.

Under President Bud Fizer and league statisticians

Morris Regimbald the league has been closely watched and strict control of all league rules have been enforced. With this you can't help but play anything but straight hockey.

The playoffs this year will involve the first eight teams. With the first four teams playing in the A event and the other four playing in the

B event. The semi-finals will be the best of five and the finals the best of seven. There will be no playoffs between the A and B event winners.

Every Sunday night home games of the St. Albert Meteors at the St. Albert Arena. So if you want to see fast hockey game time is at 8 p.m.

Bud Fizer hard at work as president of the Sturgeon Valley Senior B Men's Hockey League, looks over the standings and statistics of the league. Bud puts in about 10 hours a week viewing hockey games and paper work included, which proves to be time consuming and hard work and most rewarding.

Morinville comes from behind

Over the weekend Morinville peewees came from behind to defeat Vimy's peewee team by a score of 4 - 2.

Vimy started the scoring on goals from Real Hoot and Rick Hoot. But all to no avail as Morinville was led by Darrii Bokenfohr's two goals and singles coming from Brian Herrmann and Ken Biddiscomb.

Although the game was fairly slow moving; Morinville coming from behind proved excitement enough for all those that viewed the game.

KINSMEN MINOR HOCKEY

Available this week are as follows:

SHAYERS:

The Panthers paced by Jim Sanders with five goals soundly defeated the home team Bears by a score of 7 - 0. The other two goals were scored by John Wyler.

In the game between the Badgers and the Cubs was won by a close score of 1 - 0 with Kane Russell of the Cubs doing the scoring while Martin Cairns posted the shut-out.

The K of C's led by Paul Kelly's two goal performance helped beat the Canucks 4 - 1. M. Tessier and Neil McRae rounded off the scoring for the K of C. Scoring the lone goal for the Canucks was Tim Wilson.

BANTAM B:

The peewee team called the Lancers, playing in the bantam 'b' league, posted another win with a 5 - 1 romped over the Northstars. Scoring for the Lancers were Gary Wallin with two with singles coming from Darrell Liptak, Todd Winkquist and Larry Sanders. The lone Northstar goal was potted by Rick Birdsall. The Lancers so far this season in league play are undefeated and have the lowest goals against average also.

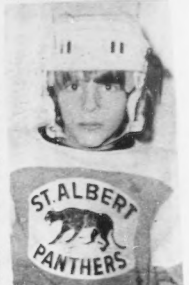

The Blackhawks posted a close 2 - 1 victory over the Sabres (not to be mixed up with the Sabres of the mid-

get 'BB' league) with goals coming from D. Bokenfohr and S. Cochrane. Netting the lone Sabre goal was Wes Kuzio.

BANTAM A:

The Canucks led by D. Sanche and K. Burgess with two goals each defeated the Seals by a score of 7 - 4. The rest of the scoring was handled by C. Lohmeier and G. Holden. Helping for the Seals were Donald Tobin, John Lancaster, Tracy Smith and Gary Muzichuk.

Safeway Maple Leafs beat the Falcons by a score of 4 - 2. Scoring for the Falcons was Darrell McKinsiry with the two. Names of point-getters were not available.

JAMES SANDERS

Captain Jan. Kristensen was open in front here but couldn't quite get the puck passed to him. Although Jan managed to net two goals and star defensively for the Barons.

Barons taken by K of C Pats

On Monday night at 8:00 on January 17, at St. Albert the St. Albert Sport Shop Barons were stopped by the Edmonton K of C Pats Juvenile 'AA' 12 - 5.

The first period ended 5 - 3 in favor of the Pats with goals coming from G. McNeill, K. Vetsen, Mike O'Neill and from W. Gray to count for the Pats. Doug Ferguson ripped two goals past K of C goalie K. Jackson and was followed by Lee Ferras to round out St. Albert's scoring in the first.

The second period proved to be the best for St. Albert

as Captain Jan Kristensen's wrist shot counted two goals for the Barons. Kristensen was the main reason St. Albert held their own and proved a threat during the game and especially in the second frame.

The third period proved to be small-shocking for St. Albert goalie Brad Eitz as he was peppered continuously by K of C shots. Mike O'Neill, a St. Albert resident playing with the Pats, got his second goal of the night to finish the scoring for the K of C's.

Fire Chiefs absorb shellacking

St. Albert's representative bantam team travelled to Westlock last Thursday and absorbed a 9-3 shellacking from the Edmonton Rural Hockey League leaders.

St. Albert took an early lead when Greg Thibert scored on a pass from Sandy Millroy, but then the roof fell in on the Fire Chiefs.

Westlock whipped in four goals, including three in a two-minute span, and left the ice at the end of the first period with a 4-1 lead.

They scored three more in the second and two in the third. Chris Hoffart scored St. Albert's second goal in the last period on a pass from hard-working Rod Gouchey.

Gouchey made one of the best plays of the game when he went through the entire

Westlock team only to have his shot saved. The big winner is still looking for his first league goal, but despite having tough luck around the net continues to hustle.

St. Albert was coached by Tom Parayko, Art Wells and Jim Ladd, but even the new look on the bench couldn't get the club's second win of the year. Coach Doug Millroy and his assistant, Gord Grant, were out of town while another of the coaches, Larry Mitchell, was laid up because of a hockey accident.

The Fire Chiefs continue to be plagued with a shortage of bodies. They had only enough players for two line changes and that isn't enough against as tough a team as Westlock. However, the boys aren't giving up hope of making a good showing in the playoffs.

Community joins in happy celebration

MR. and MRS. LORNE AKINS

St. Albert community hall was filled to capacity Sunday afternoon as people from throughout the town and district gathered to congratulate Mr. and Mrs. Lorne Akins on the occasion of their 50th wedding anniversary. Special guests were nephew Ernie Akins of Winnipeg, whose arrival that morning had been a delightful surprise; Mr. and Mrs. Percy Green and Mr. and Mrs. Frank MacGregor, of Winnipeg; Mrs. Akins' brother Herb Seibert and sister Florence Atkinson, who were the wedding at-

endants 50 years ago, and Helen Boucher also of Winnipeg.

Beautiful baskets and bouquets of flowers decorated the hall a most appropriate setting for the celebration, since Mr. Akins served on the founding board at the time it was built. After the guests had enjoyed coffee and a visit with the Akins and each other, a program was presented, with the Akins son Jim acting as master of ceremonies. Introducing his sister Phyllis Kittitz, who sang three old favorite love songs

accompanied by Bertha Kennedy. Jim noted that these two had previously combined their talents on the occasion of the burning of the community hall mortgage, 23 years ago.

Neil Ross, the main speaker, and a "life-long" friend said he and Lorne had been "over a good many roads together." "My wife Sadie and I attended the Akins silver wedding, the weddings of their six children and 90 per cent of the grandchildren's weddings - and God willing we will attend more."

Having followed the mayor and the MLA, Neil thought it prudent to observe that "anything I have to say today is the truth!"

Going back to the twenties Neil spoke of Lorne's prowess at hockey and baseball, and his western Canadian wrestling championship - "In those days he was my hero." In the thirties they got to know each other better and Neil remembered some amusing incidents. The next decade saw work going forward on the Alaska highway and Lorne and Neil making hauls together - this

time Lorne was the greenhorn. Reminiscing on these times, Neil had many more funny incidents to describe. Such as stopping near Faust one time about midnight to stretch a bit from the driving, and wishing they could get a cup of coffee. There were no restaurants in miles, but they noticed that there appeared to be a country dance in progress, and Neil suggested that those people would be sure to have both coffee and good food. They missed the lunch but a lively dance was in progress and Neil joined in, to the chagrin of Lorne who was in gum rubber boots. When the music started up again, it was just too much for Lorne an enthusiastic dancer all his life. Down the floor he went and located a fellow with his size of shoes. "He gave him a dollar and danced three dances," Neil recalled.

Over the next 20 years the Rosses and Akins continued their friendship, Lorne became a Charter Lion and later sponsored Neil into the club. Neil talked of many trips enjoyed together and had more stor-

ies pointing up the Akins qualities as delightful companions and true friends. At the close of his remarks Neil presented the couple with a poster-size framed blown up photo taken on their wedding day.

Ernie Jamison spoke briefly on the kind of life style which had brought the Akins to their golden wedding day, enjoying the affection of their family, their friends and their community.

Mayor Ray Gibbon had some statistics - not the usual "cold" type, but some of the "warmest statistics I have ever seen" - giving dates he told of their coming to this area from Ontario, Lorne's purchase of a 240-acre farm, with his

brother, their marriage, and of Lorne taking the last crop off this farm site in 1958 at the age of 71 - "a truly remarkable statistic." Describing the Akins family he asked the four sons and two daughters to stand, along with as many of the 15 grandchildren and four great grandchildren who were present.

"These are the kind of people who have made St. Albert, created a province and populated the world - and they are still actively adding to our community and to its fun," concluded the mayor. He presented the Akins with a plaque on behalf of the town.

Speaking with deep feeling and sincerity, Phyllis Kittitz paid a moving tri-

on of the Akins Golden Wedding day

bute to the Akins on behalf of their children. "The heritage you have given us is no mess of pottage," she said. "You have given us four things which cannot be bought or sold: Security, a sense of right and wrong, a caring for others and a great zest for living."

Phyllis went on to describe how her parents had given them this heritage, illustrating her talk with anecdotes and examples. "We have come to know that the precious zest for living you taught us, is only possible if you have the other three things." You have always known how to pick up the pieces and carry on said Phyllis in closing.

Then it was Lorne's turn and he thanked Neil Ross -

"The kind of pal you need when the going is tough!" He also paid tribute to his wife - "a wonderful wife and mother who placed first in the home. Quoting from the bible, "He that getteth a wife getteth a good thing and findeth favour with the Lord." Lorne said - "I think you will agree it depends on what kind of a wife that "thing" is and she's a dandy!" Speaking of his family he said "they forgive us for our faults." He thanked the large crowd for the wonderful party.

"This day has been beyond my fondest dreams" said Mrs. Akin, adding her thanks to those of her husband.

To conclude the program Jim Akin read telegrams

which had come from friends both far and near, including the Governor-General, Prime Minister, Lieutenant Governor and Premier of Alberta and leader of the opposition in Ottawa.

The family had arranged a supper at the Purple Dude in the evening, enjoyed by many relatives and friends and followed (of course) by dancing to the music of son-in-law Fred Rosewell and his orchestra. During the evening Mr. Akin recited with considerable skill and not a missed word - "The shooting of Dan McGrew" to the delight of the crowd. Mr. and Mrs. Akin joined in the dancing and had some requests for favorite pieces, to bring the big day to a close.

The regard of the entire district for this pioneer couple was clearly evident throughout the day and evening.

The open house, banquet and dance were arranged and hosted by the six children of Mr. and Mrs. Akins; Phyllis (Kittitz), Jean (Croszar), Eileen (Rosewell), Gordon, Fred and Jim.

The family of Mrs. Emma Belanger gathers for a photo, prior to cutting the cake on the occasion of her 89th birthday on January 10. From left are Mrs. E. L'Heureux, Mrs. A. Constantin, Mrs. Louis Verlinde, Mrs. John Belanger, Mrs. A. Boddez, Mr. Romeo Belanger, Mrs. Walter Boddez, Mrs. E. Normandeau and Gerard Belanger.

Emma Belanger marks 89th birthday

All of her eight children together with many old friends and neighbors, gathered at the farm home of Mrs. Emma Belanger to celebrate her 89th birthday on January 10.

Mrs. Belanger was born in Coaticook, Quebec in 1883 and moved with her family at the age of five to Fitchburg, Mass. Coming to Alberta in 1898, she settled first at Riviere Qui Barre before coming to the Villeneuve district where she

has made her home ever since.

She was married to the late John Belanger on June 25, 1907, and the couple celebrated their golden wedding in 1957, with a family supper at Volmer and a dance in St. Albert.

The couple raised two sons and six daughters, and Mrs. Belanger now has 31 grandchildren and 52 great grandchildren. The children are Emilie (Mrs. Emile) Normandeau, Romeo and Gerard, Mathilda (Mrs. Andre) Boddez, Exilda (Mrs. Alphonse) Constantin, and Yvonne (Mrs. Louis) Vellende of Edmonton; Lina (Mrs. Walter) Boddez of Riviere Qui Barre and Diana (Mrs. Edward) L'Heureux of Beaumont, Alberta.

Mrs. Belanger enjoys good health and did her own

work at the old farm home on the Villeneuve road until a year ago. Her son Romeo lives with her. The pioneer lady received many good wishes and a beautifully decorated cake, shaped in the figures 89 was a gift of her grand-daughter and her husband, Mr. and Mrs. Robert Iseke.

Why not sing away those January blues? The St. Albert Singers have resumed practise on Thursday evenings at 8:45 p.m. in the lower hall of the United Church. This seasons' presentation is to be Part 111 of Handel's Messiah. All new and former members will be warmly welcomed.

The film "Merry World of Leopold 2" did not arrive as scheduled last week, but will be definitely shown this coming Friday, January 21. It is open to all children of the community at an admission charge of 10 cents, and starting time is 3:30 p.m. at Sir George Simpson school gym.

His friends will be glad to know that Johnny Scott is home from his winter vacation, spent at the Surgeon General Hospital, and feeling much better.

Week of prayer for Christian Unity

The universal Week of Prayer for Christian Unity annually provides an opportunity for the churches to experience and manifest their oneness in Christ. God's word through His Gospel and through His world speaks for the unity of mankind. The church is under the imperative of that word to witness to that unity.

The theme for the 1972 Week of Prayer for Christian Unity has been chosen by the Vatican Secretariat for Christian Unity and the World Council of Churches. It is based on the New Testament verse John 13:34, "I give you a new commandment: love one another; as I have loved you."

Ecumenical services of worship will be held in many

parts of the world. In St. Albert Christian Unity was the theme of the homily given by Brother Andre Boyer, OMI, at the Roman Catholic Church and of the sermon by Rev. Noel Gordon of Braeside Presbyterian. Brother Boyer stressed the importance of those things which all Christians share in common; while Rev. Gordon noted that all Christian unity must be rooted in the kind of self-giving love which Christ offers us.

A practical demonstration of Christian unity will be the focus of the joint Anglican and United Church service on Sunday, Jan. 23. The worship will take the form of an ecumenical contemporary service in music entitled, "Worship for To-

day." The Evangelical Lutheran Church is also planning a special emphasis on Christian Unity during the Service of Worship.

Why a special Week of Prayer? Prayer for unity can and should take place throughout the year. The Week of Prayer is the particular occasion for Christians to reassess their commitment to working for unity and to remind each other that there can be no genuine obedience which is not open to fellow-Christians of every background and in every part of the world.

MORINVILLE MEMOS

Mayor Arthur Stapleton is resting in Municipal hospital in Lethbridge, following emergency surgery last weekend. He will be confined for the next 10 days to two weeks. The mayor was stricken while attending the Lions International mid-winter conference in company with Mrs. Stapleton, Lion Garrel Wiley and Mrs. Wiley.

Congratulations to Mr. and Mrs. Noel Vasevanand who welcomed another son, Keith Allen on Dec. 11, a brother for Garth and Dianne. Baptismal ceremony was held Sunday with Father G. H. Primeau officiating. Chosen godparents were uncle and aunt, Mr. and Mrs. Roger Vasevanand.

The RCMP reports that a snowmobile collided with a parked car at the Namo campsite on #28 highway and one person was injured, in a weekend accident. At 5:40 p.m. on Sunday a two vehicle accident, near Bon Accord was responded to by Constable R. J. McEwen and Edmonton detachment personnel. One vehicle was reported burned and two people were injured. No names available at press time.

Last Sunday the town of Morinville streets became race tracks for many snowmobiles, with drivers of all ages and shapes. Complaints have been received of residents being awakened at 2 a.m. and later by joy riders on private property both in

the town and country. One resident complained of a gang taking away bales, stacked to protect sewer lines, and racing around the house at all hours. Snowmobiles are not allowed on streets in Morinville, only back alleys and ditches.

Gone visiting to warmer climates this week are: Mr. and Mrs. Vincent Curtis, via camper to Arizona for six weeks; Mr. and Mrs. George Vranas accompanied by Mr. and Mrs. Gerry Ethier, via car to southern States and Mexico; Mr. and Mrs. Albert Craig by plane on a two week holiday to Hawaii. (Let's hope you don't have to swim back if the air strike is still on.)

Mr. Adelard Houle is now a resident at Youville Home in St. Albert.

Fred Kieser, accompanied by Roch De Delennacourt Jr. are back from a two week motor trip to Las Vegas, California, Seattle and Vancouver. They report, very bad weather all the way, and snow storms, especially in Great Falls and at the west coast.

Mrs. Cecile McRae is back home after undergoing surgery recently.

Congratulations to the girls senior basketball team and their coach Gerard Houle from Georges P. Vanier high school, who won against Concordia College, 41 - 37. The star of the game was captain Carol Woytkiw who scored 21 points. The boys from Morinville lost 14 - 56, last weekend.

Two trunks from Morinville have entered the St. Albert Men's Open Bonspiel. Norman Meunier skipping with Georges Borle, Casper Halawa and Guy Meunier as lead, Nick Woytkiw is skipping the Octave Hunschoot rink with Octave, Maurice Schayes and Jim Chedarchuck as lead.

ALCOMDALE: On Saturday, January 15 Mr. and Mrs. Leonard Whitson, were guests of honor at a social evening on the occasion of their 25th wedding anniversary, hosted by the community. Mr. and Mrs. Whitson have been residents of the community for the past 25 years, and have contributed much in local club and community work.

Present were four of their five children, Brian of Medicine Hat; Mrs. Marilyn Baker of Calgary; Terry and Philip at home. Absent was Miss Linda Whitson, serving in Africa with CSO since August. Also attending were Mrs. Jessie Gill of St. Albert, Mrs. Whitson's mother, and three of Mr. Whitson's brothers, Tim, Dick and Charlie and many other members of the families, as well as a large number of neighbors and friends who came to wish these popular couple well on their silver wedding anniversary.

The best man of 25 years ago, Mr. Cameron Fulton, was master of ceremonies, and presented the happy couple with a purse, on behalf of the community.

The children presented their parents with a beautiful set of house lamps for the occasion. At lunch time the two beautiful decorated cakes were shared by all. On Sunday, Mr. and Mrs. Whitson held open house during the afternoon, and again many relatives, neighbors and old friends dropped in to express their best wishes and share a cup of tea with the family at their country home in Alcomdale

district.

Mrs. J. L. Mitchell was also an honored guest on this occasion. The pioneer woman of the area celebrated her 84th birthday, complete with a beautiful birth-

day cake and very special best wishes from all present. To make the occasion doubly important, one of her grandsons, Bruce Dehnke was also married in Busby the same day.

Cardiff Column

By Florence Vranas

When Mrs. Laurier Labonte, the former Freda Kieser of Cardiff entered a contest on Dec. 11, 1971, sponsored by Texmade of Canada Ltd., little did she expect to win. The following Friday, Dec. 17, she received a phone call informing her that her name had been drawn with nine others as lucky winners of a two week vacation to the Canary Islands provided she answer correctly a skill-testing question. Later that day she received another

phone call from Montreal at which time the question was answered correctly with the result that Mr. and Mrs. Labonte will leave Edmonton to begin their trip on April 14 to return May 3.

Congratulations to Emile and Sharon Iseke who are the proud parents of their first child, a girl, 7 lbs. 7 ozs. born December 27 at Sturgeon General Hospital. The parents have chosen the name Serena Frances for the baby.

Mrs. Gwen Knoll and Mrs. Janet Clark accompanied by a group of local caroling children on Dec. 22 after which they all enjoyed hot chocolate and donuts at the home of Mrs. Knoll before returning to their homes. This is a first for Cardiff and all residents hope to see them all again next year.

On January 3, Mrs. Joan Bird of Edmonton passed away. Mrs. Bird was predeceased by her husband and is survived by a son Gerald of Edmonton. Many of us will remember Mr. and Mrs. Bird as postmasters of Cardiff many years ago.

Mr. and Mrs. Roland Ricard and Mr. and Mrs. Harvey St. Onge have left for a month long cruise to the Caribbean.

Mr. and Mrs. John Saunders have returned from a three week vacation to the Caribbean. John and Dorothy spent most of the time on the island of St. Kitts in the British West Indies where Dorothy's sister, Sister Winnifred (Edith) is now stationed.

Mr. Henry W. Norris passed away in Blunt's Nursing Home, Mayerthorpe, Alberta, in the early hours of January 1st, 1972. Mr. Norris was a resident of Calahoo for 45 years before retiring to Devon, Alberta, in October, 1964. He was born in Tofield, Alberta, Nov. 4, 1892, and resided there until he joined the armed forces during World War I, spending some time overseas. On discharge from active service in July, 1919 he visited his aunt, Mrs. G. Noyes of Calahoo and made his home with her until his marriage in January 1925 to Miss Anne Ellwood of Riviere Qui Barre.

He was employed by the CNR and served as track foreman for a short period before purchasing the farm he operated for 38 years.

Mr. Norris also served a three year term as school trustee and was a charter member of the United Farmers of Alberta, Calahoo branch. He leaves to mourn his loss his living wife Annie of Devon. Two sons and three daughters, and 19 grandchildren. Mr. and Mrs. T. G. Norris and daughters, Dianne and Katherine. Mr. and Mrs. H. F. Norris and daughters, June and Susan, all of Edmonton. ter, Alberta.

The Taxman says thank you.

For paying too much income tax last year. You see, there's a section in the Income Tax Act that says you can deduct a substantial amount from your annual earned income if you have an eligible retirement savings plan. Take advantage of it this year. All you have to do is register your annuity or permanent life insurance plan by February 29. Give me a call and I'll show you how to let the taxman find his own mad money.

OPEN HOUSE - THURSDAY, FEBRUARY 17, 1972

By Rose Martel

The annual meeting of St. John the Baptist church membership was held Jan. 16, with a total of 55 present, including Rev. Father G. H. Primeau, pastor, church council members and high school council representatives, Terry Wojtkiw and Sherry Kryskow.

Guy St. Germain, chairman, opened the meeting, followed by a prayer by Rev. Father Primeau. Matt Tellier was elected chairman and Lorette Champagne secretary.

The 1971 financial report was read and explained by Mrs. Champagne. In his report, the chairman emphasized, that although the remaining debt of \$25,200 had to be reduced, the most important task ahead for the church council was the total involvement in the church liturgy by all members of the parish. Mr. St. Germain also stated that the constitution of the parish council would be finalized in 1972, and that all church property in Morinville is now adequately covered by a blanket form of insurance that had gone out on bids. He deplored the fact that the financial support had decreased noticeably and that lack of interest and involvement in

liturgy was also apparent.

The activities report was presented by Real Cormier who reported a good profit margin. Andre Sabourin presented the hall committee report, and was given a unanimous vote of thanks for the many years of work and service. He retires this year.

Raymond Brenneis gave the liturgy report and thanked all those who volunteered to help during the past year with collections, ushering and reading of epistles, and church music. Mr. Brenneis reported that something has to be done about the organ. Although it may be a

additional cost to the parish, an instrument of its calibre should be saved. It was suggested that a special "Save the Organ" project could well be initiated as a community project, after the bids are received and the amount needed is known.

Osborne Bromling, chairman of the election committee gave the results of the church council election held at the morning services. Elected for three year terms were - Ernie Bokenfohr, Jeanine Chalifoux, and Roger Vansevanandl. One year term - Paul Froment.

Other candidates were George Morris, Emile Riopel and Leon Riopel. Retiring members were Bob Lapointe, Paulette McDonald, David Rooke and Andre Sabourin.

Rev. Father Primeau, in his concluding remarks stated that eight per cent of the congregation gave 45 per cent of the total revenue while the remainder of the congregation supported the church in a very small way. He promised to discuss and review suggestions made at the meeting, regarding funerals and the organ program, as well as double column financial statements

with itemized details as requested by parishioners.

He hoped that a new relationship between church and parishioners would be established. That the problems would be found out,

discussed fully and acted upon to establish a new climate in the parish in 1972. A short film entitled "Supper" was shown and refreshments were served after the meeting.

NAMAO NEWS

Bingo fans are reminded of the community league bingo being held Friday night (January 21) in the Namao community hall, beginning at 8 p.m.

The teen dance, with music by the "Elastic Band" was well attended last Friday evening, and Irene Crozier was the only casualty - on crutches after the Butterfly. League members were well pleased with the conduct of the young people and everyone had a great

evening. The senior boys hockey club raffle for an NHL trip to Vancouver was drawn at the dance and Duncan Kennedy of Edmonton was the winner.

The Button and Bows club took in the Ice Capades last Wednesday, and despite temperatures of 35 degrees below, 35 members and parents attended.
